Mellow Cycling (all levels): Emphasis is on providing a fun and effective leisurely workout to the sounds of inspirational music. Warm up, cycle, cool down and stretch.

Pump, Core & Cycle (all levels): This class starts in the Group Fit Studio for 45 minutes of strength & core and transitions to the Cycling Studio for a 45 minute ride. Come to one or both, all welcome!

Group Fitness

BODYATTACK (all levels): High energy, sports-inspired cardio endurance training. Work strength, cardio and agility. Novice to advanced athlete will reap the benefits of this steady state training format.

BODYCOMBAT (all levels): Learn moves from Karate, Taekwondo, boxing, Muay Thai, Capoeira and Kung Fu. This is a non-contact class that will challenge your core, stability and precision as you punch and kick your way to the end.

BODYPUMP (all levels): The original barbell workout. BODYPUMP is 25+ years old! Use barbells, plates, and benches to build lean muscle throughout your entire body. Low weight + high repetition will fatigue one muscle group at a time and leave you wanting more.

GRIT (all levels): Short on time? 30 minutes of HIIT is just what you need. The secret to becoming fitter faster is interval training. Short bursts of work followed by minimal recovery will send your heart rate into overdrive and leave your body burning calories up to 16 hours post exercise (the EPOC effect).

INSANITY (all levels): 45 minute cardio intense training. No equipment required. Work 3-5 minute intervals with short breaks.

Oula (all levels): High energy workout that combines the depth and soulfulness of a mind body practice with the carefree playfulness of a living room dance party. It's not about what it looks like, it's about how it feels.

Zumba (all levels): A total workout, combining all elements of fitness; cardio, muscle conditioning, balance and flexibility through Latin style of dance.
