Coached Adult Lap Swim (All abilities welcome): Coached workouts for swimmers of all fitness goals and abilities. If you can swim 25 yards and want to improve your swim endurance/ times/ technique. Lanes are organized by ability, speed, and training level. All lanes reserved.

Lap Swim 2-3 lanes open, except during Adult Swim, Tri Training and Swim Team practice; all lanes reserved. No lap swimming in open half of pool during lessons & classes.

Open Swim: A great time to bring your children for a family swim. **Lessons, Classes, and Rentals have priority use of the pool.** Disruptive swimmers will be asked to leave.

Swim Lessons (Ages 2-Adult): Learn comfort and skills for all ages in a small group or private lesson.

October Session: Oct 8-Nov 1. Registration opens: Monday, September 24, pre-registration and payment required. Contact Tanner Thames: 251-3344 ext 225, tanner@peakmissoula.com

Fall Swim Team Start Sept 4 : Registration open. Sun Rays is a non-competitive team that introduces kids to work together and listen to a coach while executing skills, drills & strokes to improve mechanics and endurance. Participants must pass level 5 lessons or try out. Tuesday & Thursday, 4-5 pm. Contact: tanner@peakmissoula.com.

Tri Training (all levels): Work on your speed, form and endurance. Start in the pool, transition to cycling, finish with a run. Come to one, two or all three events.

Water Basketball: Have fun and get a great endurance workout with a pick-up game of water basketball. Games are held in the deep end of the pool. Be ready to tread water. Fin use welcome.

Water Power: A quick, high-powered, full body workout in just 55 minutes! Cardio & functional strength training.

Cycling

October Cycle for Survivors: Honoring "Breast Cancer Awareness" month.... ALL female artist playlists. Put on your pink and join in for this class combining a variety of cycling and a weight lifting sets sure to build your body and mind.

Intermediate to Advanced Level Classes: Classes are not exclusive to the experienced rider, as they can be self-regulated and the bikes adjusted to meet the individual ability of the novice or beginner.

Cycling Interval: Combines short, high intensity burst of speed, with slow recovery phases. This is repeated several times with variations throughout the class.

Cycle Pump (intermediate to advanced): Start this ride with fast paced cycle intervals, then move on to the finish line with a challenging array of resistance training exercises.

Griz Spin(intermediate to advanced): This one is the instructor's choice. Burn calories while improving cardiovascular endurance and muscular strength.

Road Profiles: (all levels) Want to improve your riding strength, technique and endurance? A variety of riding profiles will be offered with a focus on proper technique and mechanics of riding. Profiles will include intervals, uphills, downhills, time trial efforts, sprints. **Virtual "Video" rides the last Wed. of the month.** 2 water bottles recommended.

SPRINT: A 30 minute high intensity interval training (HIIT) workout on a bike. Want to build endurance for your long rides? Train intervals. Maximum effort will smash your fitness goals and build your endurance like you never imagined.

Tri Training (all levels): Work on your speed, form and endurance with certified triathlon instructor, Rob. Start in the pool, transition to cycling, finish with a run. Come to one, two or all three.

Group Fit

Abs and More (all levels): A variety of exercises to tone, strengthen and define abdominals. Additional muscle groups routinely added.

BODYATTACK (all levels): High energy, sports-inspired cardio endurance training. Work strength, cardio & agility. Novice to advanced athlete will reap the benefits of this steady state training format.

BODYPUMP (all levels): The original barbell workout. BODYPUMP is 25+ years old. Use barbells, plates, and benches to build lean muscle throughout your entire body. Low weight + high repetition will fatigue one muscle group at a time and leave you wanting more.

CSI Circuit Style Interval (all levels): High energy calorie burning at your own pace. Works all muscle groups using body weight and props.

Gym Class Heroes (intermediate to advanced): Incorporates calisthenics, running, jumping, and weight lifting done at *high intensity*, short intervals.

Hot Laps (all levels): Bring out the runner in you. This running/conditioning program focusing on drills to help assist with speed, endurance, agility and stride. Beginners will learn running fundamentals while novice and advance runners will train to increase speed and efficiency.

GRIT (intermediate to advanced): Short on time? 30 minutes of HIIT is just what you need. The secret to becoming fitter faster is interval training. Short bursts of work followed by minimal recovery will send your heart rate into overdrive and leave your body burning calories up to 16 hours post exercise (the EPOC effect).

PEAK Strength (all levels): Use body-bars, hand weights and interval training to target specific muscle groups and achieve optimum heart rates through high repetition and endurance based exercises. Adjust weights to meet individual needs.

Oula & Intro to Oula(all levels): High energy workout that combines the depth and soulfulness of a mind body practice with the carefree playfulness of a living room dance party. It's not about what it looks like, it's about how it feels.

PEAK Bootcamp (all levels): Interval & circuit training that combines athletic movement, drills and muscle conditioning exercises to improve cardio, agility & muscular endurance.

PEAK X-treme (intermediate to advanced): Cardio based total body conditioning with plyometric drills and strength, power, and resistance intervals.

Pump and Core (all levels): High repetition to tone and sculpt every muscle. Focused on balance, core strength and muscle development to improve strength and endurance.

Senior Fit & Senior Stretch(all levels): Geared for people over 50, great for anyone. Get moving (at your own level) then challenge cardio, balance, flexibility and muscle strength using dumbbells, resistance bands and balls. Stretching exercises are performed either in a chair or standing. Stretching increases your flexibility and freedom of movement.

Senior Chair Yoga: Geared for people over 50, seeking to improve range of motion, flexibility and respiration. The ability to get up or down from the floor is not required.

Step (all levels): Distinguished from other forms of aerobic exercise by its use of an elevated platform (the step). Step height can be adjusted to meet your individual fitness level. Step combines endurance and strength training.

Step and Sculpt (intermediate to advanced): High-energy total body workout alternating step choreography with muscle conditioning.

Tri Training (all levels): Work on your speed, form and endurance. Start in the pool, transition to cycling, finish with a run. Come to one, two or all three.

Mind & Body

All Levels/ Continuing Yoga: A posture focused class with emphasis on alignment. Be prepared to use props to assist movement into beginner and intermediate level poses. All levels welcome.

Bamboo Bodies (all levels): A strength conditioning class, rejuvenate and recondition the body through Qigong and corrective exercises. Better your balance and discover internal energy training with focused movement and breath, barefoot work, weight-bearing exercises and self-massage.

Barre(all levels): A fusion of ballet, yoga, and Pilates. Focus is on combining cardio and flow elements of ballet with toning benefits of Pilates and yoga for an energetic and challenging workout. Class size is limited to 18 participants.

Barre-less (all levels): It's barre without the barre! Classic barre exercises have been adapted to be performed in the center of the room either standing or on the floor using theraband. You will challenge the core for balance and total body proprioception.

Beginning Vinyasa: Introduces class to the link between breath and movement while improving strength and flexibility.

Beginning Yoga: A gentle series of exercises performed in a slow and controlled way. The focus of this class is increasing strength, flexibility, and balance.

Body 401K (all levels): Learn self-massage and self-care techniques that you can do at home to keep you doing the things you love while staying balanced and healthy.

Gentle Yoga (all levels): A personalized approach to yoga postures with focus on pain-free range of motion. This class compliments strenuous athletic activities and is also appropriate for those new to yoga.

Pilates (all levels): A contemporary, anatomically based approach to the mind-body exercise developed by Joseph Pilates. Exercises focus on stability and/or mobilizing the spine and pelvis while improving functional strength, flexibility, endurance and posture.

Restorative Yoga (all levels): Uses props to help body relax into poses held for several minutes to encourage passive stretching.

Tai Chi (all levels): A mindful practice and low-impact exercise. It can be done by anyone who can walk. Tai Chi improves balance, cardiovascular endurance, strength and posture.

Vinyasa Yoga (all levels): Postures are connected with breathing, helping to build mental focus, clarity, determination, and patience. Vinyasa yoga may also be known as a flow style yoga.

Yin Yoga (all levels): A synthesis of traditional yoga and eastern approaches to healing and well-being. Through sustained holds, in the floor postures of the Yin Yoga tradition we are able to bring healing to our organs, and the connective tissues of the body.
