

Aquatic Classes

All aquatic fitness classes are free to members.

Aqua Burn : A moderate to high intensity water aerobics workout. Focus is on calisthenics and toning. This class uses deep and shallow water. *All skill levels welcome.*

Aquamotion: Water aerobics geared toward getting you moving. Focus is on cardio and endurance. This class uses deep and shallow water. *All skill levels welcome.*

Coached Adult Swim: Workout administered by a certified swim coach. Lanes are organized by ability, speed and training level. Get the opportunity to try various skills, drills and training equipment. This class uses all lap lanes. *Participants should be able to swim 25 yards unassisted (1 pool length).*

Senior Aerobics: Low impact, low intensity aerobics workout. This class is focused on toning, improving range of motion and strengthening. This is a great option for swimmers looking to rehabilitate injuries. Class is held in deep and shallow water. *All skill levels welcome.*

Tri Training: Get all three of the disciplines at once. Start with swim, transition to bike and end with a run workout. Taught by certified swim and triathlon coaches. Geared towards people looking to compete in triathlons. Swim is distance freestyle oriented. Class takes place in the lap lanes. *All skill levels welcome. Swimmers should be able to swim 25 yards unassisted.*

Water Basketball: Pick up games are held every weekend. Great way to have fun and work your endurance. Games are held in the deep water, so be prepared to tread water. Fins are optional. *Participants must be able to tread water for extended periods.*

Water Power: Fast, high intensity exercise. This water aerobic class is a high powered, full body workout. Focus is cardio and functional strength training. Class uses deep water. *All skill levels welcome.*
