Cycling

Cycle/Yoga: A Fusion of 40 minutes of energetic interval cycling followed by 40 minutes of deep stretching with yoga postures.

Cycling Interval: Combines short, high intensity burst of speed, with slow recovery phases. This is repeated several times with variations throughout the class.

NEW Lunch Hour Power: Wednesday, 1-1:45 pm. Challenge yourself with this high intensity interval and profiles class that is aimed at improving strength and endurance.

Mellow Cycling (all levels): Emphasis is on providing a fun and effective leisurely workout to the sounds of inspirational music. Warm up, cycle, cool down and stretch.

Monday Madness: Start the week with this high energy interval class. Intervals are tailored for the outdoor cyclist but are beneficial to all. A focus on proper riding mechanics is paired with intense efforts to build strength and endurance.

Pump, Core & Cycle (all levels): This class starts in the Group Fit Studio for 45 minutes of strength & core and transitions to the Cycling Studio for a 45 minute ride. Come to one or both, all welcome!

Rhythm Rev: Rev up your weekend with pounding rhythms and fast-paced sets. Be early for front row bikes.

SPRINT A 30 minute high intensity interval training (HIIT) workout on a bike. Want to build endurance for your long rides? Train intervals. Maximum effort will smash your fitness goals and build your endurance like you never imagined.

Group Fitness

BODYATTACK (all levels): High energy, sports-inspired cardio endurance training. Work strength, cardio and agility. Novice to advanced athlete will reap the benefits of this steady state training format.

BODYPUMP (all levels): The original barbell workout. BODYPUMP is 25+ years old! Use barbells, plates, and benches to build lean muscle throughout your entire body. Low weight + high repetition will fatigue one muscle group at a time and leave you wanting more.

Cardio Sculpt (all levels): High Energy Cardio Blast using a step, free weights, and other tools for maximum toning and calorie burning to achieve toned arms and legs, a lifted butt, and a functionally fit core.

Cyclelates: Cycling+Pilates, 35 minutes of heart pumping intervals on the bike, followed by 20 minutes of Pilates work to fire up your core muscles. All levels welcome.

CXWORX: 30 min core conditioning class. Use resistance bands & weights to strengthen entire core. Class is a zero impact & intensity of your choosing.

GRIT (advanced): Short on time? 30 minutes of HIIT is just what you need. The secret to becoming fitter faster is interval training. Short bursts of work followed by minimal recovery will send your heart rate into overdrive and leave your body burning calories up to 16 hours post exercise (the EPOC effect).

MetConX (all levels): Metabolic Conditioning Express. Maximize your calorie burn using a variety of cardio, strength and mobility training. Core movements combined with minimal equipment to give you a quick, high intensity workout followed by a short mobility session.

Oula (all levels): High energy workout that combines the depth and soulfulness of a mind body practice with the carefree playfulness of a living room dance party. It's not about what it looks like, it's about how it feels.

PEAK Strength (all levels): Use body-bars, hand weights and interval training to target specific muscle groups and achieve optimum heart rates through high repetition and endurance based exercises. Adjust weights to meet individual needs.

Rock Bottoms (all levels): Work the glutes and connected muscle groups from every angle to create a tight and shapely tush, toned thighs, and slender hips using free weights, barbells, and other equipment.

Sunday Shred (all levels): Wake up & shred! Your cardiovascular and muscular fitness will be challenged with calisthenics, free weights, plyometric and an assortment of equipment for a variety of exercises.

Zumba (all levels): A total workout, combining all elements of fitness; cardio, muscle conditioning, balance and flexibility through Latin style of dance.

Mind & Body

Align & Refine (all levels): An alignment-based class will balance your muscles and bones, head to toe, with an emphasis on āsana (postures) awareness, healthy body positioning and breathing practices.

Bamboo Bodies (all levels): A strength conditioning class, rejuvenate and recondition the body through Qigong and corrective exercises. Better your balance and discover internal energy training with focused movement and breath, barefoot work, weight-bearing exercises and self-massage.

Bamboo Bodies Advanced: Mobility/Balance/Qigong/Vision. Train for movement and moments in your life with faster more challenging Bamboo Bodies Advance.

Ballet Fit: Start with pilates and end at the barre with ballet flexibility exercises.

Barre (all levels): A fusion of ballet, yoga, and Pilates. Focus is on combining cardio and flow elements of ballet with toning benefits of Pilates and yoga for an energetic and challenging workout.

Body 401K (all levels): Learn self-massage and self-care techniques you can do at home to keep you doing the things you love while staying balanced and healthy.

Gentle Yoga (all levels): A well rounded moderate yoga class with a daily meditation, seated and standing postures, strengthening balance poses & time for renewal.

Foam Roller/Yoga: All levels yoga with foam rolling of different muscle groups to bring the body into balance.

Pilates (all levels): A contemporary, anatomically based approach to the mind-body exercise developed by Joseph Pilates. Focus is on stability and/or mobilizing the spine and pelvis while improving functional strength, flexibility, endurance and posture.

Pre/Postnatal: Focus on strengthening upper body and hip opening for birth. Special modifications and instruction for trimester and 6 week postpartum moms. Free to members, \$10 per class for guest.

Restorative Yoga: A healing blend of gentle yoga combined with longer held yin & restorative postures. A wonderful way to find stress relief through mindfulness, breathing and gentle body movements.

Slow Morning Yoga (all levels): Slow paced class focusing on muscle synergy and breath.

Strong & Steady Yoga: Hatha-inspired yoga focusing on alignment and refinement through extended holds that build strength and stability while developing capacity to withstand the shirring winds of life.

Sunday Night Yoga: Class starts with a longer warm up followed by classical Vinyasa flow and ends with 30-40 minutes of restorative.

Vinyasa Yoga (all levels): A powerful combination of strength conditioning with yoga flow. The poses will tone every muscle using body weight and/or weights.

Yoga for Relaxation/Meditation (all levels): A healing blend of gentle yoga combined with longer held yin & restorative postures. A wonderful way to find stress relief through mindfulness, breathing and gentle body movements.
