Tri Training (all levels): Work on your speed, form and endurance. Start in the pool, transition to cycling, finish with a run, Come to one, two or all three events.

Water Basketball: Have fun and get a great endurance workout with a pick-up game of water basketball. Games are held in the deep end of the pool. Be ready to tread water. Fin use welcome.

Cycling

All Level Classes: Classes are not exclusive to the experienced rider, as they can be self-regulated and the bikes adjusted to meet the individual ability of the novice or beginner.

Cycle: This class combining a variety of cycling and a weight lifting sets sure to build your body and mind.

Cycling Interval: Combines short, high intensity burst of speed, with slow recovery phases. This is repeated several times with variations throughout the class.

Cycling 20/20/20 (all levels): Combines cardio and strength. 20 min of cycling intervals, 20 min upper body and core strength using band and weights, 20 min of power cycling.

Cycle 101: First Tuesday of each month Learn basics of indoor cycling. Receive custom bike fitting, monitor tutorial and foundation technique to help you achieve ultimate results from your cycling classes..

Cycle & Soul: 30 minutes of high intensity ride. 15 min of yoga stretches and breathing exercises to unwind and relax muscles.

Griz Spin(intermediate to advanced): This one is the instructor's choice. Burn calories while improving cardiovascular endurance and muscular strength.

SPRINT: 30 min high intensity interval training (HIIT) workout. Want to build endurance for long rides? Maximum effort will smash your fitness goals and build your endurance like you never imagined.

Tour de Tunes: Each weekly ride revolves around an exclusive music genre-instructors choice. Big focus on hill climbs and creating an outside ride inside.

Tri Training (all levels): Work on your speed, form and endurance with certified triathlon instructor, Rob. Start in the pool, transition to cycling, finish with a run. Come to one, two or all three.

Group Fit

Abs and More (all levels): A variety of exercises to tone, strengthen and define abdominals. Additional muscle groups routinely added.

BODYPUMP (all levels): BODYPUMP uses barbells, plates, and benches to build lean muscle throughout entire body. Low weight + high repetition will fatigue one muscle group at a time and leave you wanting more.

CSI Circuit Style Interval (all levels): High energy calorie burning at your own pace. Works all muscle groups using body weight and props.

CXWORX: 30 min core conditioning class. Use resistance bands & weights to strengthen entire core. Clas is a zero impact & intensity of your choosing.

Gym Class Heroes (intermediate to advanced): Incorporates calisthenics, running, jumping, and weight lifting done at *high intensity*, short intervals.

Hot Laps (all levels): Bring out the runner in you. This running/conditioning program focusing on drills to help assist with speed, endurance, agility and stride. Beginners will learn running fundamentals while novice and advance runners will train to increase speed and efficiency.

GRIT (intermediate to advanced): The secret to becoming fitter faster is 30 min HIIT interval training. Short bursts of work followed by minimal recovery will send your heart rate into overdrive and leave your body burning calories up to 16 hours post exercise (the EPOC effect). While options are available, this is a HIGH INTENSITY class. Not recommended for pregnant participants.

PEAK Fit (all levels): Fast paced interval training. This class is a total body workout, hitting all the main muscle groups while keeping your heartrate elevated.

PEAK Strength (all levels): Use body-bars, hand weights and interval training to target specific muscle groups and achieve optimum heart rates through high repetition and endurance based exercises.

PEAK X-treme (intermediate to advanced): Cardio based total body conditioning with plyometric drills and strength, power, and resistance intervals.

Oula & Intro to Oula(all levels): High energy workout that combines the depth and soulfulness of a mind body practice with the carefree playfulness of a living room dance party. It's not about what it looks like, it's about how it feels.

Pump and Core (all levels): High repetition to tone and sculpt every muscle. Focused on balance, core strength and muscle development to improve strength and endurance.

Step (all levels): Distinguished from other forms of aerobic exercise by its use of an elevated platform (the step). Step height can be adjusted to meet your individual fitness level. Step combines endurance and strength training.

Step and Sculpt (intermediate to advanced): High-energy total body workout alternating step choreography with muscle conditioning.

Tri Training (all levels): Work on your speed, form and endurance. Start in the pool, transition to cycling, finish with a run. Come to one, two or all three.
