AquaFlow: Gentle movements at low intensity to promote better balance, coordination, flexibility and core strength.

AquaMash: Set to music, low-moderate intensity workout incorporating intervals of cardio building while traveling from shallow to deep water and playing suspended.

AquaMashPlus: Set to music, moderate-high 30 minutes of movement in shallow and deep water to build cardio and to develop muscle strength.

HydroBlast: Groove to this energetic class set to music; intervals of moderate-high levels of intensity while alternating between shallow and deep; build cardio endurance; improve overall muscles strength and generate muscle tone.

HydroBody: Experience full body conditioning with constant movement predominately suspended in the deep water with no impact.

HydroPump: Pump it up to a 90-minute split, moderate-high intensity workout set to upbeat music. Increase and progress cardio stamina, strengthen core and tone muscles with continuous multilevel movement! First 30 minutes of class is in shallow water with transition to 60 minutes of moving in the Deep; NO impact fully suspended.

WaterWaves: Make some waves with aerobic intervals mixed with intervals of strength training movements while both in shallow and deep water.

WaterWellness: Improve overall range of motion and strength all while moving through the water at your own pace listening to your own body and sharing in the group experience.

Coached Adult Lap Swim (All abilities welcome): Coached workouts for swimmers of all fitness goals and abilities. If you can swim 25 yards and want to improve your swim endurance/ times/ technique. Lanes are organized by ability, and training level. **Monday and Wednesday Coached Lap swim at 12 pm-12:50 pm is specifically for beginners looking to improve technique, and endurance.**

Swim Lessons (Level 4, 5, & Adult): Private, Semi-Private. Pre-registration & payment required.
