BLUE MTN SMALL GROUP TRAINING

Longevity Training *with Jen*

A strength workout designed to increase muscle, strengthen bones, and improve balance using a combination of bodyweight exercises and free weights with a focus on eccentric and isometric movement patterns. This workout is geared towards people who want to train for longevity. Staying as strong as possible for all of life's physical activities for as long as possible.

Functional Training *with Stephen*

Exercises that train your muscles to work together by simulating movements in daily life, activities and sports.

Circuit Training *with Chris*

Strength and conditioning exercises/circuits for all levels.

TRX Training *with Angie*

Circuit training allows you to move through a variety of strength and cardio stations utilizing battle ropes, row machines, assault bikes, the sled, many other pieces of equipment, and of course, TRX!

HIIT Training *with Gabe*

High-Intensity Interval Training helps energy levels, enhance mood, and improve overall well-being in the most positive way possible—*while making it super fun for everyone*. Even if you're not a morning person I promise you will enjoy the workouts
