Find on Facebook at "PEAK Aquatics" - Visit peakmissoula.com for information about our swim lessons!

AquaFlow: Gentle movements at low intensity to promote better balance, coordination, flexibility and core strength.

AquaMash: Set to music, low-med intensity cardio and strengthening with continous movement throughout shallow and deep water; periods of traveling, beachball volley and stretching

AquaMashPlus: Set to music, mid-high intensity while incorporating cardio intervals while traveling throughout the shallow and deep water. Includes some suspended beachball volley and toning exercises: also uses buoys and noodles.

AquaTurbo: A high-energy water class that uses both shallow and optional deep water to amp up a complete body workout. Come challenge your core and build strength while having fun! All fitness levels are welcome. This session is designed to let you tailor the challenge to the needs of your body.

Dynamic Aquasize: This water aerobics class provides cardio and body toning combined with some Yoga & Tia Chi movements.

HydroBody: Experience full body conditioning with constant movement predominately suspended in the deep water with no impact

JointMobility: 45-minute non-aerobic aqua class consisting of specifically designed excercises to help improve joint flexibilty and relieve pain due to arthritis.

WaterWellness: Improve overall range of motion and strength. All while moving through the water at your own pace listening to your own body and sharing in the group experience.

Splashtastic: Seamlessly flowing from one move to another to create a lively and fully body dynamic workout of cardio and strength building. May include use of equipment and/or suspended moves. Class concludes with stretch and cool down.

Coached Lap Swim: Ready to challenge yourself? Our Coached Lap Swim offers a structured workout to improve technique, build endurance, and push you to swim faster and stronger. Expert coaches will guide and motivate you every step of the way. Get ready to make every lap count and reach your full potential!
